EXTRA-UE PROCEDURE FOR FIRST LEVEL DIPLOMA COURSES

Are you an EXTRA UE student who wishes to study at LABA Libera Accademia di Belle Arti of Brescia?

Here's what we ask you:

- 1** Probate copy of your high school Diploma (obtained after 12 years of school) and Italian translated declaration of value of it obtained by Italian home country Embassy or Consulate (the application for registration of the student holding a foreign qualification is accepted if the presented documents and the declaration of the value of the foreign qualification made by the Italian consular or diplomatic mission responsible for the area shows that the degree obtained allows access at universities in the country of origin)
- 2** Knowledge of Italian language
- 3** Filled pre-enrollment (see *Form 1*)
- 4** Copy of your passport

Once we receive the documents at points 1,3 and 4 (fax number +39 030 3391503) we'll mail you a certificate of acceptance/non acceptance of your **pre-enrollment**. You have to bring this certificate to the Italian Consulate/Embassy of your country and follow the procedure to obtain your residence permit for study.

In cases where a foreign student already enrolled in an Italian University, has made a withdrawal and requires a new registration at the same or another university, the student cannot use the specific residence permit for study issued during the previous registration. The formalization of abandonment of studies leads to the disappearance of the requirements for residence in the territory of the State and, consequently, the withdrawal of authorization of the title (see Article 5, paragraph 3, 4 and 5 of Legislative Decree 25 July 1998, No 286 "Consolidated text of provisions governing immigration and the status of foreigners" and subsequent amendments).
